

## 2009 GOWEN FIELD CHRISTMAS CANDLELIGHT SERVICE

Christmas is a special time of year, a season of peace. Often we get so busy during Christmas that we often overlook its importance.

This year spend some time reflecting on the real meaning of Christmas and join us for a special candle light service celebrating the birth of our Savior.

Taking the time to light a candle, read a passage of scripture, sing a few Christmas Carols and reflecting on God's Love can help you feel a deeper sense of peace.

Build a family memory that will last a life time and join us as we celebrate the reason for the season.

**Place:** Art Moore Chapel, Gowen Field, Bldg 266

**Date:** Sunday, December 20th

**Time:** 1800hrs

**Uniform:** Civilian Clothing

Immediately following the service the Chaplain's Office will be providing dessert and hot drinks. Plan on spending a few minutes of fellowship before heading home. God Bless.
